Role of the District Health Board

Our Vision:

- Better Health, Better Lives, Whanau Ora.

Our Mission:

- We work in partnership with people and communities to achieve their optimum health and wellbeing.
- We seek excellence through a culture of learning, enquiry, service and caring.

Our Values:

Kind Manaakitanga	Looking after our people: we respect and support each other. Our hospitality and kindness foster better care.
Open Pono	Being sincere: we listen, hear and communicate openly and honestly. Treat people how they would like to be treated.
Positive Whaiwhakaaro	Best action: we are thoughtful, bring a positive attitude and are always looking to do things better.
Community Whanaungatanga	As family: we are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.

Our Statutory Purpose:

- To improve, promote and protect the health of our population.
- Promote the integration of health services across primary and secondary care services.
- Seek the optimum arrangement for the most effective and efficient delivery of health services.
- Promote effective care or support for those in need of personal health or disability support services.

- Promote the inclusion and participation in society and the independence of people with disabilities.
- Reduce health disparities by improving health outcomes for Maori and other population groups.
- Foster community participation in health improvement, and in planning for the provision of, and changes to the provision of services.
- Uphold the ethical and quality standards expected of us and to exhibit a sense of social and environmental responsibility.

Purpose of the Role

To provide Clinical and Laboratory Haematology specialist services to Southern District Health Board.

1. The Oncology & Haematology and the Laboratory Services are committed to implementing a team-based approach to providing excellence in patient care, and to improving the value of the service by improving the quality of the service.
2. The specialist is expected to participate in the peer review activities with the objective of providing a high standard of clinical practice and clinical expertise, and contributing to the provision of effective and efficient Haematology services at Dunedin Hospital and throughout the Otago and Southland region.
